Re: *Second Complaint of Discount Communications Against BellSouth Telecommunications, Inc.*
Docket No. 00-01151

Dear Henry:

Attached please find BellSouth's Amended Notice Regarding Breach of Escrow Arrangement and Intention to Terminate Service, which we are filing today. This Amended Notice is being filed due to an arithmetic error in the amount BellSouth believes that Discount failed to pay during the period at issue. The total amount should be \$89,600, not \$92,400 as indicated in yesterday's filing. I apologize for any inconvenience created by my error.

As I mentioned in my voice mail message yesterday, Richard Collier has asked that we find a time on Friday to discuss this matter. I am free anytime that day, and I understand that Vance Broemel is also free, but has suggested a morning meeting. Please let me know whether you have a conflict on Friday.

Cordially,

Joelle Phillips
